WEIGHT LOSS PROGRAM

Costs of Program

Starting at \$350 per month

The Weight Loss Program starts at \$350 per month and includes weekly Semaglutide Injections. Once graduated from Semaglutide, you may continue your journey with Tirzepatide at \$500 per month. We also offer a maintenance program to aide you in your goals and lifestyle changes. As an option to support you in your weight loss, keep you feeling energized, and boost your results, we have discounted several additional options for you.
